

Junior Saltdogs League Covid Rules

As of 5.12.21

1. Game time for U8-U17 has been reduced from 1 hour 50 minutes to 1 hour 30 minutes to reduce/minimize crowd capacity. 2nd game spectators are encouraged to remain in their vehicles until the early game spectators have cleared the field/complex. All coaches and players should go directly to the designated warm up areas upon arrival.
2. Coaches, players, commissioners, site directors, and parents are encouraged to keep socially distanced (6' apart outside of your family pod) whenever possible. Masks are encouraged when social distancing isn't possible.
3. Pre-game warm-ups are in designated areas only
4. JSL encourages all players to use their own bat, glove, helmet, etc
5. No handshakes after games between teams.
6. No sunflower seeds or peanuts with shells are allowed at any complex...no exceptions
7. No pets are allowed at any complex (not a Covid rule but it has not been enforced in the past and will be this year)
8. It is our understanding that concessions will be open but limited to pre-packaged items.
9. Concessions will not have ice so coaches should be prepared and bring ice/ice pack in case of an injury (perhaps a team parent would volunteer to bring this for the team each game)
10. Parents/spectators will have access to bleachers however we encourage everyone to bring chairs and sit in family pods to socially distance.

Illness/Covid-19 Protocol for Players and Coaches

1. A player/coach with Covid symptoms should stay home and be tested
2. If player/coach tests positive, they may return to practices/games after no symptoms, fever free for 24 hours, and 10 calendar days have passed. Day 1 is the date of testing.
3. Any player/coach in direct contact with anyone having Covid-19 must follow CDC/Local Health Department guidelines
4. A positive test must be communicated immediately to the team's head coach and to JSL President Dina Euler at jslpresident@jrsaltdogs.com (include the player's name, division, team name, and the date of the positive test result).
