WHO REFERRED YOU: _____

***If you have trouble attaching the completed form into a new email, you can also include the information above into an email to Bob ***

Experience is not required, but a basic understanding of Baseball and the rules is necessary. Division rules and umpire training will be provided prior to the start of the season.

The MANDATORY Umpire Clinic is for NEW Umpires to our league and will be on a Sunday evening in late April. The date has not been confirmed yet. If you cannot attend the Umpire Clinic, you will not be hired for the season. NO EXCEPTIONS.

Most of our games are on Monday and Tuesday nights at 6:00PM so if you have other commitments on those nights then this will not be the right position for you.

Not all who apply will be hired.

Your payment will be direct deposited into a checking or savings account every other week during the season.

Umpire candidates must be at least 14 years old before May 1, 2026.
